1. We adopt Promoting a Safer Church as our own Safeguarding Policy. The policy below is clarification and additional to Promoting a Safer Church.
2. This policy will be reviewed each September to monitor the progress which has been achieved. We recognize that everyone has different levels of vulnerability and that each of us may be regarded as vulnerable at some time in our lives.
 - We recognise that a position of power in relation to another creates a risk of vulnerability. As a consequence we strive to ensure that we consider power when working and leading with people.
 - We recognise that children by virtue of legal status and dependency on adults for their emotional and physical needs will always be vulnerable and at a disadvantage. We commit to considering this in our children's activities– undertaking supervision of staff working with them and risk assessing activities and groups as a check and balance in our work.
 - We understand that illness, disability, race, mental health and other issues can put adults in a position of vulnerability. We accept that these can be long term (ongoing), or temporary. We commit to considering this in our adults activities and events – undertaking supervision of staff and risk assessing activities and groups as a check and balance in our work.
 - We commit to transparency in our actions and accountability for our work.
2. As members of this parish we commit ourselves to respectful pastoral care for all adults and children to whom we minister.

- We will ensure that leaders of our PCC members, and any ministries that involve working with children and vulnerable persons have appropriate enhanced DBS checks.
- We will ensure that those who care for people in our parish attend appropriate safeguarding training.
- We commit to discuss safeguarding and support of safeguarding as a standing PCC agenda item

- We will ensure that those in positions of trust (such as wardens), and those with remits or leadership of groups involving vulnerable children etc have appropriate enhanced DBS checks that these are updated every 3 years.
- Safeguarding including revision of policy will be a regular PCC agenda item and agree that whilst we have a named co-ordinators we will accept collective ownership for this important issue.
- We will be transparent, open and not have secrets.

5. The parish commits itself to promoting the inclusion and empowerment of people who may be vulnerable.

- We will consider the impact of power, disadvantage, inclusion, disability, age and race on how we provide and plan for our ministry.
- We will actively (but appropriately), challenge each other in our work in order to ensure we consider a wide range of perspectives and views– ensuring that we do not oppressively impose our own values or views to another's detriment.
- Where a person struggles with an activity due to disadvantage, disability or illness we will go the extra mile to assist them so they can participate and contribute as a full part of the church.

6. It is the responsibility of each of us to prevent the physical, emotional, sexual, financial and spiritual abuse of vulnerable people and to report any such abuse that we discover or suspect.

- We will not collude, keep secrets or make decisions when we have suspicion of abuse. We will seek through discussion the views of others and ensure through use of external agencies and the diocese safeguarding service that we engage and welcome external perspectives in order to promote a healthy accountable culture.
- We will report without being biased to our personal view. We will report and not investigate.
- We will record concerns factually
- We will not take chances with the welfare of children or vulnerable adults.
- We are open to scrutiny and encourage this in others.
- We have zero tolerance to abuse and put the welfare of vulnerable children and adults first.
- We take seriously training and activities relating to the safeguarding of Children and seek to engrain this in our congregational culture.

- We will ensure that those in positions of trust (such as wardens), and those with remits or leadership of groups involving vulnerable children etc have appropriate enhanced DBS checks and that these are updated every 3 years.
- Safeguarding including revision of policy will be a regular PCC agenda item and agree that whilst we have a named co-ordinator we will accept collective ownership for this important issue.
- We will be transparent, open and not have secrets.
